SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

The Examiner's attention is directed to the following items which may be relevant to the examination of the above referenced application. Copies of each of the published documents, other than U.S. patent publications, of which copies are not required, are attached, as well as a completed form PTO/SB/08a. The listing of any item herein is not intended as an admission that that item legally qualifies as "prior art".

These references have been cited by the Japanese Patent Office in the prosecution of a Japanese patent application that corresponds to the present US application. Each Japanese reference, and what is believed to be the English equivalent thereof, is listed on the IDS form.

In addition, JP 2002-508049 and JP 2000-502602 were cited by the Japanese Patent Office however Applicants have not been able to obtain copies of these Japanese references and so have not listed them on the IDS. Instead, Applicants have obtained, and list in this IDS, what are believed to be the English equivalents of these references, WO 99/02830 and WO 97/23278, respectively.
